WORK EXPERIENCE

2006 – CURRENT

RESEARCH EXPERIENCE

- Experienced researcher on topics of technological catching-up, industrial economics, economics of innovation and urban and regional economics with research focus on emerging European economies (Central and South Eastern Europe)
- Author of most cited Economics & Business research in Croatia in 2010-2021 period.
- Coordinator of highest ranked project financed by Croatian science foundation in field of Economics and Business "Possibilities for reindustrialization of Croatian economy - REINDUCE)
- Regularly publishing in leading economics and business journals (WoS Q1 and ABS 3* and 4* ranked) on topics of innovation, industrial development, catching-up, FDI, entrepreneurship and urban and regional economics in emerging European economies (see full list of publications at the end).
- Ranked among top 5 Economics and Business researchers by criteria of scientific productivity in Q1 (top 25%) scientific journals in 2021 in Croatia and in Central and South Eastern Europe (Web of Science data).
- Author of two studies selected as relevant by European Commission in its Quarterly Research and Innovation Literature Reviews in 2021.
- Advanced knowledge of cross-sectional and longitudinal analytical methods, spatial analyses and impact evaluations.
- Founder and coordinator of Centre for research of digital transformation - CREDO at University of Dubrovnik currently coordinating or involved in 10 international projects.

2012 – CURRENT

TEAM LEADER COMPETENCIES

- 9 years of experience as project manager.
- Management of three international projects (ELEGANT, IDEA, VIBES) and working as institutional coordinator on five international projects related to digital skills assessment (ESMERALD, ESSENCE, SLEM, WB-DIGI, HR-DIGI). Director and founder of centre for research of digital transformation CREDO which acts as competence centre for digital skills development within BlueDih digital innovation hub
- Coordinator/manager of six international projects (see the list in CV) involving teams from four to 10 countries (see the list below and list of team competencies). Institutional coordinator of projects in which responsible for setting up and performing large scale cross-country surveys.

2012 – CURRENT

RESEARCH AND DATA ANALYSIS COMPETENCIES

- Ten years of experience in preparation and conducting of surveys, data analysis and insights generation. Coordinating surveys with up to 1500 respondents (Within projects Intermodal, TT Adria, Elegant, Vibes, Essence)
- Experience in digital skills needs and gaps assessment in Croatia and EU member states within projects Vibes, Slem, Essence. Coordinator of skill needs and gaps assessment within Elegant project in Jordan and Lebanon

- Coordinator of survey involving 1500 respondents in Italy, Croatia and Albania (in 8 locations) within Intermodal project. Coordinator of survey of business sector needs for student digital and soft skills involving 200 participants in Jordan and Lebanon within Elegant project. Coordinator of country survey and participant in cross-country survey involving 50 participants within Essence project. Coordinator of survey/case study interviews involving 30 participants in five countries within Vibes project.
- Research experience (see list of publications) on the effects of decentralization on economic growth and prosperity. As vice rector of public university involved in interactions with all levels of public authorities (central/regional/local)

2016 – CURRENT

DIGITAL TRANSFORMATION AND UPSKILLING COMPETENCIES

- From 2016 involved in research investigating effects of digital transformation on local and national outcomes within Reinduce project.
- From 2017 involved in WB-DIGI project investigation the effects of digital transformation on firm and industry level outcomes in Western Balkans countries.
- From 2019 involved in project IDEA analysing skills gaps and needs of youth in EU member states for digital entrepreneurship.
- From 2019 involved in project ELEGANT analysing digital and soft skills needs and gaps in Jordan and Lebanon including preparation of surveys and questionnaires aimed at formal and informal education channels for competencies development.
- Participation in ESSENCE project where I co-created questionnaire and administered survey on digital skills gaps and needs in Croatian business sector.
- Coordinating project VIBES where I co-created semi-structured questionnaire in which needs of businesses and gaps in existing level of digital skills were assessed.
- Involved in several bodies of Ministry of science and education in Croatia responsible for development of curriculum. Creator of first PhD programme in Croatia in digital economy. Creator of extra-curricular trainings and lifelong learning modules for digital upskilling of youth and business sector. Assessment of barriers to digital transformation in public sector within WB-DIGI projects.

2012 – CURRENT

GENERAL COMPETENCIES

- Production of country and multi-country reports. Writing of scientific studies published in world leading journals for field of economics and business (see list of publications and projects).
- More than 10 years of research interest in Central and South Eastern Europe. Performed work on institutional barriers and innovation in Western Balkans countries. Co-author of first cross-country assessment of impact of digital transformation on the local economic outcomes in Western Balkans countries.
- Co-author of cross-country reports on topics of digital transformation, reindustrialization, innovation. Among top 5 authors in South Eastern Europe (Croatia, Slovenia, WB6) by the number of scientific studies published in top 25% scientific journals for economics and business field (WoS Q1) in which I perform cross-country analyses of socio-economic issues with focus on Central and South Eastern Europe.
- Member of several advisory bodies to Croatian government, local government in Dubrovnik-Neretva county. Organiser and moderator of scientific conferences, workshops and thematic events. Coordinator of number of international projects involving different types of actors (see list of projects in CV).

2006 – CURRENT

RESEARCH PROJECTS AND CONSULTANCY

As consortium leader

- ELEGANT (Erasmus+ CBHE) - International project coordinator, coordinating partners from United Kingdom, Italy, Portugal, Croatia, Jordan and Lebanon in a project aimed at developing digital employability skills of students of IT universities in Jordan and Lebanon. Responsible for setting up and processing in a report surveys of 200 respondents in Jordan and Lebanon with policy implications. Responsible for organisation of thematic events including focus groups to identify relevant intervention areas. Responsible for engaging stakeholders in project objectives. Awarded value under CREDO coordination: 970.000 EUR (2019-2022)

- IDEA (Erasmus+ Strategic Partnership) - International project coordinator, coordinating partners from Belgium, Italy, Spain, Croatia, Slovakia, Poland and Romania in project aimed at assessing digital entrepreneurship skills needs and gaps in analysed countries and EU as a whole, developing trainings and educational activities and creating country report with policy recommendations and examples of best practice. Awarded value under CREDO coordination: 288.909 EUR (2019-2021)
- VIBES (Erasmus+ Strategic Partnership) - International project coordinator, coordinating partners from Finland, Croatia, Switzerland and Belgium on project aimed at developing trainings for digital upskilling. Responsible for overall project coordination. Setting up and processing results of individual case studies in Croatia and country report with examples of best educational practices in area of digital skills development and policy recommendations. Awarded value under CREDO coordination: 211.105 EUR. (2021-2023)
- REINDUCE (Croatian scientific foundation - HRZZ) - Coordinator of scientific project dealing with public and private incentives for industrialization in Central and South Eastern Europe. Dealing with large scale datasets (CIS, BEEPS, Amadeus) and applying advanced econometric analysis, formulation of policy recommendations and identifying examples of good practice Sole or lead author in 80% of project outputs incl. all outputs published in WoS Q1 journals. Project completed as most successful project of HRZZ in field of economics and business (2017-2020)
- Regional patterns of deindustrialization and prospects for reindustrialization in South and Central East European Countries (GDN AND WIIW) - Research project investigating sources of reindustrialization in CESEE region (2015-2016)
- The role of FDI spillovers in regional productivity dynamics (CERGE-EI and GDN) - Research project investigating the impact of FDI on productivity in CESEE region (2013-2015)

2006 – CURRENT

RESEARCH PROJECTS AND CONSULTANCY (CONT'D)

As institutional leader (1)

- ESMEALD (Erasmus+ Digital Readiness) -Institutional project coordinator on behalf of UNIDU CREDO in international project involving partners from Poland, Greece, Croatia, Belgium, Italy and Spain. Responsible for assessment of SME employee needs of skills for enhancing their resilience to economic crises. Preparing country report on Croatia including report on best practice educational examples. Responsible for coordination of project manifesto with recommendations for European and national policy makers in consortium member countries. Awarded value: 278.902 EUR. CREDO value under coordination: 29.880 EUR. (2021-2023)
- ESSENCE (Erasmus+ Strategic Partnership) - Institutional project coordinator on behalf of UNIDU CREDO in international project involving partners from Poland, Croatia, Italy, Belgium, Latvia, Bulgaria and Spain. Responsible for undertaking survey of 50 respondents on skills needs and subsequent analysis. Responsible for country report with examples of best practices and recommendations for policy makers. Awarded value: 298.750 EUR. CREDO value under coordination: 31.017 EUR (2021-2023)
- SLEM (Erasmus+ Strategic Partnership) - Institutional project coordinator on behalf of UNIDU CREDO in international project involving partners from Liechtenstein, Finland, Croatia and Albania. Responsible for assessment of needs for self leadership skills and development and implementation of trainings for digital upskilling. Awarded value: 363.866 EUR. CREDO value under coordination: 40.784 EUR. (2020-2023)
- TT Adria - (IPA Regional competitiveness) - institutional and regional (for Dubrovnik-Neretva county) coordinator of project. Responsible for setting up and undertaking mapping of research and innovation infrastructure, developing roadmap for its future development and providing assistance to businesses with research and innovation infrastructure needs in south of Croatia (2013-2015)
- INTERMODAL (IPA Adriatic) - Senior expert on international project involving partners from Croatia, Albania and Italy. Responsible for organisation of survey of 1500 respondents on eight locations in three countries and coordination and producing of 24 subsequent country and local level reports. (2012-2015)

2006 – CURRENT

RESEARCH PROJECTS AND CONSULTANCY (CONT'D 2)

As senior expert

- TOURCRO (Croatian scientific foundation - HRZZ) - senior expert on scientific project dealing with tourism effects on economic outcomes in Croatia. Responsible for data collection, processing and analysis as well as writing reports and formulation of policy recommendations (2020-2024)

- CONVRH (Croatian scientific foundation - HRZZ) - senior expert on scientific project investigating structural factors of convergence during transition in CESEE region. Responsible for part of research dealing with GVC integration and innovation-driven competitiveness of CESEE firms and industries (2020-2024)
- HERIT-DATA (Interreg Mediterranean) - Senior expert on project investigating possibilities for implementation of digital technologies in management of touristic flows. Participation in country level analyses (2019-2022)
- Digital Atlas (Croatian Telecom/Deutsche Telecom) - senior expert on project investigating the effects of investment in digital infrastructure on industry-level and regional economic outcomes. Responsible for data collection, survey of existing knowledge, empirical analysis and formulation of roadmap for Croatian policy makers (2018-2019)
- WB-DIGI (digital WB6+) - senior expert on project investigating the effects of digital transformation on economic outcomes in Western Balkans countries. Responsible for data and literature collection and systematization, empirical analysis at firm and industry level. Participating in formulation of policy recommendations and roadmap for future actions (2018-2018)
- B-lines (University of Rijeka) - senior expert on intellectual property value assessment assignment (2017-2017)
- Fess Slices (University of Rijeka) - senior expert on intellectual property value assessment assignment (2017-2017)

As researcher and junior expert

- Impact assessment of entrepreneurial zones development on local economic outcomes in Croatia - researcher on project financed by Croatian Ministry of economy, entrepreneurship and crafts. Responsible for impact assessment of firm, city and inter-city effects of public investment in establishment of entrepreneurial zones (2018-2019).
- Innovativeness, technology transfer and competitiveness of Croatian exports (Ministry of science, education and sports, Croatia - MZO) - researcher on scientific project dealing with determinants of firm and industry competitiveness of Croatian industries. Responsible for methodology development, empirical analysis and interpretation of findings (2010-2012)
- Micro-Dyn (EC FP6) - International scientific project investigating knowledge based competitiveness of European industries. Responsible for undertaking research on differences in innovativeness between firms in Western and Eastern European EU member states. Results of my work on Micro-Dyn have resulted in most cited Croatian research in Web of Science database.

2008 – CURRENT

Dubrovnik, Croatia

10/2012 – CURRENT

TEACHING EXPERIENCE AT OTHER INSTITUTIONS

Faculty of Economics and Business Zagreb (2019/2020 and 2020/2021)

- Lecturer at modules:
- Principles of economics
- Microeconomics
- Lecturer at Applied Econometric Course "Panel Data Analysis and Spatial Econometric Modelling" (2019/2020)

University of Sarajevo, Centre for Interdisciplinary Studies

- Lecturer at PhD programme "Global Studies" at module "Economics and globalization" (2019/2020)

Dubrovnik International University Libertas

- Lecturer at module Macroeconomics (2014/2015)

Staffordshire University (UK)

- Part-time lecturer in Advanced Macroeconomics (2012/2013)

Zagreb, Croatia

03/2010 – CURRENT

RESEARCHER – STAFFORDSHIRE UNIVERSITY

- Visiting professor (from Jan 2020)
- Fellow of the Centre for Applied Business Research
- Part-time lecturer in Advanced Macroeconomics (2012)
- Part-time PhD supervisor (2 successful completions with straight pass at Business School)

Stoke-On-Trent, United Kingdom

2014 – CURRENT

ACADEMIC SUPERVISION

Staffordshire University Business School (UK) (2014-2018)

- 2 successful completions of PhD dissertations (straight pass) on topics of FDI effects in transition economies

University of Mostar, Faculty of Economics (2019-present)

- 1 ongoing supervision on topic of GVC integration effects in transition economies

06/2020 – CURRENT – Croatia

REVIEW EXPERIENCE – CROATIAN SCIENCE FOUNDATION

Member of reviewing panel for the area of social sciences

2014 – 2015 – Czechia

REVIEW EXPERIENCE – GLOBAL DEVELOPMENT NETWORK AND CERGE-EI FOUNDATION

Reviewer of projects for Regional research competition

2016 – 2016 – Hungary

REVIEW EXPERIENCE – HUNGARIAN NATIONAL OFFICE FOR RESEARCH, DEVELOPMENT AND INNOVATIONS

Reviewer of project proposals

2006 – CURRENT

OTHER RELEVANT SKILLS

- Participation in several research projects dealing with competitiveness of firms and industries in Central and South Eastern Europe as project manager, principal investigator and researcher including project administration and reporting (see work experience)
- History of research on the competitiveness at micro-level (see list of publications)
- History of research on the export behaviour of firms with emphasis on barriers to innovation activities, quality upgrading and integration in global value chains (see list of publications)
- Rich experience in establishing large datasets gained through several international projects
- Experience in working with anonymised firm-level data such as Eurostat Community Innovation Survey
- Experience in working with cross-country large scale firm-level databases such as Amadeus
- Experience in drafting of analytical documents, action plans and recommendations
- Extensive knowledge of quantitative methods of analysis - advanced user of statistical software Stata, SPSS, R
- Good skills in organisation and animating thematic and sector specific events related to the competitiveness of firms such as brokerage events, workshops, educations and seminars
- Establishing industry-science links
- President of organising and scientific committees of bi-annual international scientific conference "Smart Ideas and a New Concept of Economic Regeneration in Europe - SINCERE" organised by University of Dubrovnik, Department of Economics and Business Economics

● EDUCATION AND TRAINING

01/2007 – 03/2011 – Stoke-On-Trent, United Kingdom
PHD IN ECONOMICS – Staffordshire University

Thesis "Competitiveness, restructuring and firm behaviour in transition: The case of Croatia" (Immediate Phd award)

EQF level 8

03/2013 – 03/2013 – Stoke-on-Trent, United Kingdom
POSTGRADUATE CERTIFICATE – Staffordshire University

Postgraduate certificate in Research supervision

EQF level 7

06/2007 – 06/2007 – Stoke-on-Trent, United Kingdom
POSTGRADUATE CERTIFICATE – Staffordshire University

Postgraduate certificate in Economics for business analysis

EQF level 7

12/2006 – 12/2006 – Stoke-on-Trent, United Kingdom
POSTGRADUATE CERTIFICATE – Staffordshire University

Postgraduate certificate in Research methods

EQF level 7

10/2001 – 09/2005 – Dubrovnik, Croatia
MASTER OF ART – University of Dubrovnik, Faculty of Tourism and Foreign Trade

Thesis: How to improve competitiveness of Croatian exports to EU market

EQF level 7
